## What Can the Lunar Nodes Tell You?

---

The lunar nodes exploring our life path, highest potential, soul gifts, spiritual growth, purpose, and destiny. We each have an individual purpose, shown by the location of the lunar nodes at our birth.

---

### North Node ~ Your destiny

---

The north node in our chart represents the unique direction that you are being called to explore & ultimately, become. The qualities & characteristics you're meant to develop, learn. & step into, in order to live a life aligned with your soul purpose.

---

### South Node ~ Innate gifts

---

The south node represents the qualities in us that are natural, overdeveloped, comfort zone. It is our instincts, habits, natural, and often automatic to embody and be. It is our retreat.

If the branches of the tree were the north node, the roots are the south node.
